HEENE COVID 19 Support Service for Returning and training Doctors and Dentists

In response to the unprecedented challenges in the NHS due to the COVID 19 epidemic, Health Education England North East and North Cumbria are adapting the Trainee Support Service arrangements on a temporary basis for the next 6 months from April 2020. Detail, [links and support offer can be found here](#).

Article requests from the Walton Library at Newcastle University

The resources for staff who would normally use Newcastle University library – the Library are providing electronic journals only to any member of NHS staff - request access via email at: nhsill@ncl.ac.uk
For more information and to access the journal search, go to: <https://libguides.ncl.ac.uk/nhs/services>

Yorkshire and Humber (specific updates)

Wellbeing support for trainees

The following 60-minute zoom sessions provide tools to help during these unprecedented times.

- **Peer Support** - We recognise the enormous value of speaking to others who can relate to what you are experiencing. To access this please contact peersupport.yh@hee.nhs.uk stating clearly that you wish to access peer support.
- **If you wish to train as a peer supporter** please contact peersupport.yh@hee.nhs.uk stating you wish to join a training session (60 mins, delivered via zoom).
- **Tools for Tough Times** – attendees will leave this session equipped with essential skills and knowledge which will benefit you in your personal and professional lives.
- **My Menu of Self Care** – this session will allow exploration of what contributes to wellbeing and provides the opportunity to think practically about how to keep well during challenging times.
- **Mindfulness** – an evidence-based session on an intervention proven to help in the management of stress.

Full details on how to register and future dates go to the ‘**wellbeing support for trainees**’ section on our website: <https://www.yorksandhumberdeanery.nhs.uk/covid-19-hee-yh-information>

Volunteers and Returning to Practice
