

Participatory Methods for Mental Health Research with Children and Young People: sharing methods and directions

Do you work in mental health research with children and young people?

Have you taken part in research as a participant?

COMIC and the University of Leeds Mental Health Network invite you to our event to share learning and directions for better participatory methods in mental health research with children and young people. All welcome. Free to attend.

Where: Leeds Central (venue tbc)

When: Thursday 29th June
10am-3pm

Connecting expertise across disciplines and institutions for research impact.
