

Cancer Experts by Experience Group Reviewer Panel

County Durham
and Darlington
NHS Foundation Trust

Do you have lived experience of cancer?

This might be as a person with cancer, a family member, friend or carer.

Would you like to help improve the lives of others affected by cancer, from the comfort of your own home?

If so, we are recruiting to our Patient Reviewer Panel.

As a panel member, you will be invited to review booklets, webpages, videos and more, to ensure:

- Messages are clear
- All of the relevant information is included
- The right amount of information is used
- The language is appropriate
- Any medical terms are clearly defined

Feedback will be via email and all comments and suggestions will be carefully considered.
