Duties: We are recruiting two apprentices that want to be involved within the bespoke solid timber door industry & further develop themselves within the joinery trade. Working for one of the most prestigious door companies in the UK, with over 175 years of heritage, including projects made for Buckingham Palace and Houses of Parliament. You will be working within a team of skilled joiners and wood machinists to learn the skills required to manufacture bespoke timber doors and frames, as well as other bespoke joinery items. Duties will include:

- Working towards making bespoke solid timber doors and frames
- Work proactively within a team, communicate with managers and supervisors
- Work from written and verbal instructions, including drawings, diagrams, sketches, calculations using measuring equipment where appropriate
- Operate machinery and equipment in a safe and correct manner using all safety devices and practices
- Such other responsibilities allocated which are appropriate to the grade of the post
- Other duties as required

Training: Training will take place periodically at our training centre in Darlington (DL1 4QZ) and/or remotely as required, to work towards the theory elements of the framework. The other days will be spent working with your employer gaining the skills and knowledge required to complete your Apprenticeship. Qualifications you will work towards are:

- L2 Wood Product Manufacturing Operative Apprenticeship Standard
- Functional Skills in maths, English and ICT (as required)

Progression: Possible progression into full time employment for the right candidate.
