

MULTIPLY

FROM LEARNING & SKILLS DARLINGTON

We are delighted to launch our funding opportunity for Voluntary, Community and Social Enterprise (VCSE) organisations in Darlington to support delivery of the **Multiply** Programme.

Multiply is a new programme to enhance the numeracy skills of adults so they can understand and use maths in their daily lives including finances, budgeting, time and money management and more.

Our aim is to work in partnership with voluntary and charitable organisations and community groups to improve peoples ability to understand and use maths.

VCSE organisations need to apply to take part. If successful, courses offered through **Multiply** can result in your organisation receiving £120 per adult. The more adults who complete activities, the more money you will receive. It really is that simple!

...

To apply please visit www.darlington.gov.uk/learningandskills where you can download the application form and the specification for delivery outreach. **All applications must be submitted to multiply@hartlepool.gov.uk by**

12 noon on FRIDAY 12th MAY 2023

We aim to notify applicants of our decision by within the following fortnight to start delivery in June

...

Alternatively, please contact **Heather Jarvis-Jewell** for an informal discussion
