

PREVENT - defeating terrorism in our communities.

PREVENT is part of the UK Government's counter terrorism strategy - **CONTEST**.

This **FREE** event aims to inform you how you can help stop vulnerable people in our local communities from being drawn into supporting terrorism, or committing terrorist acts.

- Why does Prevent matter to you?
- What is the radicalisation process?
- How can you spot the signs?
- How to make a referral?

This **FREE** event also gives you the opportunity to tell us what support you need in Darlington as a business, voluntary organisation, housing provider, etc. to help you protect our communities from the threat of terrorism!
