

Take Part in Our Vaccine Study: Your Views Count!

Are you in Tees Valley? We need your views!

We're studying how people think about flu and COVID-19 vaccines. Your experiences are valuable.

You will receive a £20 Love2Shop voucher for taking part!

- Have a chat with us about your thoughts on vaccines.
- It will take 30-45 minutes.
- You'll help us understand how to communicate about vaccines better.

Who Can Take Part?

- People who are housebound.
- People from various cultural backgrounds.
- People in areas where it may be hard to make ends meet.
- People who work in or live in care homes.

Why Should You Take Part?

- Be part of important research.
- Share your ideas to improve vaccine communication.
- We're really interested in what you think.
