

SUPPORTING YOUR CHILD WITH TYPE 1

to become more independent

DATE Thursday 18 March 2021

TIME 7pm - 8.30pm

WHERE: Zoom

Whether type 1 diabetes has been part of your child's life for a few weeks or a few years, we know it can be tricky to tell when to take a step back and let your child take the lead.

Join us for our virtual Q&A session to hear from four volunteers living with type 1. You can ask them any questions you have, no matter how big or small.
