

OUR BIG CONVERSATION

#OurBigConversation continues

Share your views

Tuesday 2 February to Tuesday 16 February

Over the last few months over 2,100 service users, carers, families, partners and colleagues joined #OurBigConversation to explore what could be possible if we got everything right, and what we must do together to achieve this.

From 2 February 2021, #OurBigConversation will open again - we will share our ideas for change and we'd like you to suggest improvements.

**#OurBigConversation returns on Tuesday 2 February
and it will be open for two weeks.**
