A conversation about good foot care

TIME: 8pm to 9.30pm

WHERE: Online (via Zoom)

Join the Diabetes UK North of England team for a free webinar full of practical advice around good foot care for people living with diabetes. Checking your feet at home is so important, now more than ever, and we'll show you how to.

There will be talks from podiatrists Donna Welch and Colette Jones, and Diabetes UK volunteer Andy Lavender, who will share his foot care experiences.

The session will be all about care, not scare. We promise!
