

NOW IS THE TIME TO UPSKILL

Learning & Skills

Our online courses take place through Google Classroom, so access to a smart device and the internet is essential

Our classroom sessions take place in COVID secure venues

Learning & Skills can help you with the fundamental skills you need to retrain, develop alternative employability skills and upskill. We can provide essential qualifications or modules in the following areas:

Functional Skills Maths/English/ICT • Distance Learning • Customer Service Employability • Continuing Professional Development (CPD) • Volunteering • Social Media Marketing • and lots more!

The majority of our offer is free of charge and run all year round. What're you waiting for? Get in touch today!

A list of courses, course information and enrolment details can be found on our website
